AWARD WINNING DESIGN

When it comes to creating a chic, uncluttered look for windows, Privasee Venetian blinds by Uniline take top billing. The winner of a coveted Australian Design Award, Privasee blinds look beautiful from any angle, and are the market leader when it comes to minimising light penetration. The secret lies in the way the slats are crimped, a technique exclusive to Uniline, to ensure a tighter fit when closed – a must in bedrooms, where darkness is key.

And just as the name implies, Privasee delivers complete privacy on the home front, or in the office for that matter, as well as excellent sun protection. The reduced heat and glare has the added bonus of reducing your energy bills in summer, and the blinds will also help insulate rooms for a warmer winter.

Tilt the blades to obscure or reveal an outside view, or lift them up and away to enjoy a clear, unobstructed outlook.

FEATURES & BENEFITS

Our Privasee Venetians are an Australian Design Award winner and carry the kind of quality assurance that can only come with receiving such a prestigious accolade. Proving why it won, our exclusive Privasee® Slimline Venetian is loaded with great benefits, including:

- Privasee® crimping for snug closure and better light block out
- Universal spring loaded fixing bracket for easy installation
- A 5 year components warranty
- Exclusive to Uniline

Blinds

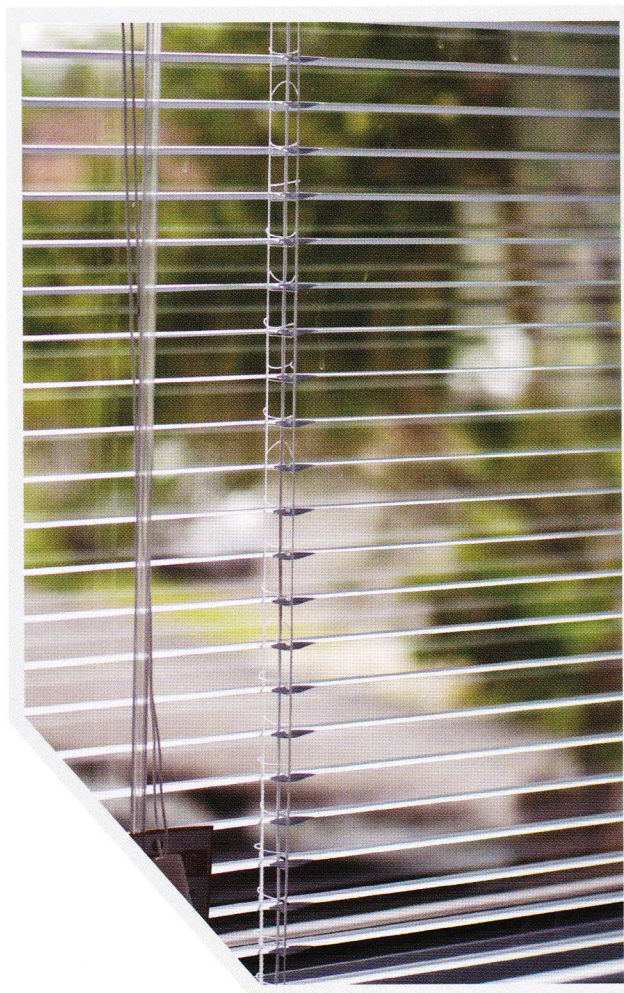

MORE REASONS TO LOVE PRIVASEE

- Made from durable aluminium, the sleek 25mm slats come in a wide range of high-fashion shades, no matter what style your interior, there is a slat shade to suit.
- For greater flexibility when it comes to fitting your windows, Privasee comes in a maximum width of 3m and a maximum drop of 2.8m.
- Easy to use, the blinds are raised or lowered by pulling on a polyester cord. When blinds are down, use the wand to direct the light just how you like it.
- For even greater energy efficiency, consider Privasee's Double Glazed Venetians. Popular in commercial premises or larger homes, where heating and cooling costs can be astronomical, these blinds provide more of a buffer against sun, glare and wind. Great for windows that are more exposed to the elements.
- Privasee blinds are built to last, and come with a five-year components warranty, for peace of mind.
- Child safety is paramount at Uniline, and that's why our Privasee Venetians come with safety devices.

PRIVACY & LIGHT CONTROL

The Privasee Venetian Blind delivers complete privacy and sun protection in a patented system that adds beauty and practicality to any window. Privasee features a unique 'crimping' system for snug closures and improved light blocking.
